## New and Original Fashion Designs

For Smart

By Mildred J odewick =

HE school girl likes the smack of fashion in her clothes, and stly, for an acquaintsceship with the mode is aly an evidence of keepng up with the times. But at as a school girl has ot the entree into her other's social set, so she as no legitlmate entree nto the world of style, in wearing extreme, up-to the - minute, last-word clothes. Her part is the naive, gracious, subdued and conservative interpretations of styles that are judiciously sponsored by her mother.

Extremely abbreviated sleeves, for instance, or long swinging panels are typical of the mode but would be absurd on a school girl. A pretty example of the type of frock school girl should choose is offered in my design to-Wool jersey is an excellent fabric, although lightweight serge or any medium weight woolen fabric would be suitable.
